Dear Sir:

Enclosed please find final Estimate for Charles McCaul, for New Boiler room, main flue, coal vaults, &c., under contract dated March 8th, 1887; total amount due being \$6,324.58. Upon the back of the estimate you will find a release which should be properly signed and witnessed, before payment.

This bill should not be paid until two matters are attended to, as follows:

1st,--Making the pavement over the vaults, to the west of the Mint building, water tight, and laying two courses of enamelled brick in the old doorway on west side of engine room.

We have notified Mr. McCaul that this work must be done before payment of the final estimate will be made by you.

Respectfully,
